## 2013 DURIF

### YEAR & VARIETY:

2013 Durif

### APPEARANCE:

Deep garnet in colour.

### AROMA:

Notes of mulberry and cardamom.

### PALATE:

Juicy dark fruits including mulberries and blackcurrant with rich notes of star anise and cardamom are complemented by a supporting later of well-toasted oak. Laced with delicious traces of chocolate, it is a full-bodied Durif in the traditional Rutherglen style.

### FOOD PAIRING:

With excellent structure and rich, lingering tannins, this wine is a perfect match with a hearty casserole or a slow roasted dish with rosemary scented vegetables.

### CELLARING:

Drink now or cellar up to 2023.

### WINEMAKING NOTES:

Andrew Drumm: After being picked in mid-March the grapes were fermented in our open topped fermenters where they were hand plunged up to five times a day. The wine was pressed around 3°Be to avoid green tannin leaching from the seeds. The wine was then aged in hogsheads and puncheons for 16 months.

### SPECIFICATIONS:

Alc/Vol: 14.9%

Titrateable Acidity: 6.9 g/L

Size: 750ml

pH: 3.59

*"A classic Durif from our 'Icon Range' in the traditional Rutherglen style of full-bodied, juicy dark fruits and mouth filling, long-grained tannins."*

*Wendy Killeen, Chief Executive Officer*
